

FELLOWSHIP OF CHRISTIAN FARMERS
INTERNATIONAL

Nightengale Grove Baptist Church Jamaica

Mission Trip February 17-24, 2018

The parsonage roof is in much need of repair. Pastor Brown has asked for our help in repairing the roof to his home. Some internal damage has occurred from leaks in the roof that also need to be repaired as time allows. These repairs need to be completed before the onset of the rainy season. With your help and support we can make a difference.

Cost: \$500 per person plus airfare.
