## Praying and Sharing the Gospel at the Farm Show

For the last number of years the Fellowship of Christian Farmers and the Ag Associates 4 Christ have been gathering for prayer during the National Farm Machinery show. We will be doing this again on Thursday, Friday and Saturday mornings an hour before the show starts in South Wing Meeting Room B110. We would love to have you join us.

This year we have a special event...many of you may know the Peterson Farm Bros from Kansas. If you haven't seen them, they are on You Tube and facebook and they educate people about farming and make some very popular music parodies about life on a farm. Their videos have Millions of hits. But here is the best part. Greg Peterson and his fiancé will be singing and Greg will share his testimony and share the gospel at our Thursday meeting. If you can't be there we will be videoing it on facebook live. You can watch it later or live on three different facebook pages. The Peterson Farm Bros page (they have 413,000 followers), the Fellowship of Christian Farmer's page and the AA4c page.

If you are going to be at the show on Wednesday please let Dennis or Rob know if you want to have some cards to pass out (see above and below). You can text Rob (541-606-7274) or Dennis (309-530-7004)

Most importantly please join us in praying that many people will hear and receive the awesome gospel and truth about the grace God has for everyone. Pray for those in the FCFI booth, for Greg, and for all those who may watch online. THANK YOU!!!
