

## George and Julie Holmes

*2016 Trip to Albania*

This winter in Albania, it was unusually sunny and warm. The farmers were worried about the lack of rain with a hot, dry summer approaching.

We enjoyed working along side of the SOWERS team.

We visited new homes, or homes that wouldn't let the team in. Plus, we assisted with children and teen meetings. The SOWERS continue doing these activities year round.

# Seed Ministry

## WISH LIST

\$18,000 to fund SOWERS Team and their transportation to the villages.  
Please make checks out to:

West Hill Community Church

And mail to:

George and Julie Holms  
3220 Jacksonville Rd  
Trumansburg, NY 14886

Email: [jgquist@aol.com](mailto:jgquist@aol.com)

100% of donations go to the SOWERS Team support. A donation receipt will follow.

Thanks for your support!

We were able to put together 1605 family seed packets. As far as we know, they went to over 23 villages. Before we left, we saw growing plants from our seeds in little, hot frames.

# Reading Glasses

This winter, we had a man, Jerry Davis, join us for two weeks of missions work. He helped to bring us more seeds and reading glasses. Over 100 pairs of reading glasses were handed out this winter.

# Pot Holders

Pot holders with the Gospel beads on them are always a hit with the village ladies. Next year, we will bring something new with us: soup ladles. We can attach Gospel beads to them also.

# SOWERS

Pastor Valdit and Dr. Erion

SOWERS Team

Gypsy Camp

Children's Meetings

Teen Meetings

Gospel Sharing

We met up with Dr. Erion this winter. He used to be on the SOWERS Team for six years. He is now a Pastor of a good size church in the South. He is starting a satellite church, with the newly trained Pastor Valdit. We helped raise support for Pastor Valdit and his new church. If anyone would like to help with his support, it can go through us. Thank you for your financial and prayer support for the SOWERS Team!
