FRIDAY, JANUARY 20

January Farm Shows, Pennsylvania

On the left with the white hair and vest on is chapter President Wayne Laidacker witnessing to some younger people while you see the back of another chapter board member Ernie Reese reaching out to a young man at the Pennsylvania Farm Show in Harrisburg.

Here Board member Ernie Reese is witnessing to what he thought was the young son. When Ernie was done with the presentation the young man prayed to ask Jesus into his heart. Ernie then asked him if he would sign his name to our tablet of those who had prayed that day to ask Jesus into their hearts. Then the young man's father, in white standing right behind the young man, asked for the tablet so he too could sign his name! What looked like only the son coming to Jesus actually turned out to be father and son, at the same time!

Here my wife, Karen Steele, a chapter board member, is witnessing to a young man. You will see in her hand she is using the five colored gel bracelet.

To the left is, again, my wife Karen Steele witnessing to a young lady. Mom is in the background with the big smile watching as her little one learns about Jesus! The young lady is enjoying her cross necklace.

This was a very busy event with crowds constantly pushing by. It was a real blessing by the Lord to be able to share His love at this event. What I believe might have been our 18th straight year at this event.

God bless!!

Enid Farm Show, Enid, Oklahoma

Jerry Rice, Rapid Response Coordinator from Boise City, Oklahoma, with wife Debbie all set up for the Knid Agrifest in Enid, Oklahoma. It was held on January 13 and 14. Jerry is also coordinating Rapid Response disaster recovery in the Woodward, OK area, which was hit hard by the recent Midwest ice storms.
