January 20-26, 2018

Echo exists to provide sustainable solutions to fight world hunger. Echo offers hope in the face of poverty & world hunger through sustainable, affordable agricultural solutions to hunger. Echo wants to equip current missionaries & development workers with their work in agriculture. Their home base in Ft. Myers, FL is a 24 acre research farm to train & demonstrate how to grow & survive in many different environments.

There is a project for everyone at ECHO. We will be painting, gardening, maintenance, construction, library work, office work, etc.

Register early, the space is limited. Cost: \$250.00 per person. For more info please call
