

# The Bead Story, Good News For All!!

*Do you have a personal relationship with Jesus Christ? Have you accepted Him as your Savior? The colored beads we use attached to our walking sticks, tell the wonderful story of God's love for us...*

-The **Gold Bead** – “The Street of heaven was pure gold, as it were transparent glass”. Rev. 21:21. We all want to spend eternity there. John 3:16 - “For God so loved the world that He gave His only begotten Son.” -The **Dark Bead** - represents sin. Sin separates us from God. Romans 3:23 - “For all have sinned, and come short of the glory of God.”

-The **Red Color** - represents the blood of Christ. - Romans 5:8 - “But God commends his love for us, in that while we were yet sinners, Christ died for us.” When we accept Christ as our Savior our sins are washed **White** as snow. Isaiah 1:18 We're forgiven. Romans 10:9 - “Confess with your mouth and believe in your heart that God raised Christ from the dead, and you shall be saved.” -Finally the **Green Bead** - Once we accept Christ as our Savior there will be spiritual growth. II Peter 3:18 - “But grow in grace and knowledge of our Lord and savior, Jesus Christ.”

God's gift to us is free and can be received by praying a simple prayer.

**“Lord, I'm a sinner in need of forgiveness. I believe you died for me on the cross and rose again. I want to turn from my sins and receive you as my Savior. I ask you to come into my heart and become Lord of my life.”** *In Jesus name, Amen*

## “Give Thanks To The Lord”

We have been through a lot, and are still doing so, very trying times in the world. But, as our front cover picture shows, we have so much to be thankful for. **“O give thanks to the Lord, for He is good, for His mercies endureth forever.” Ps 118:1** His beautiful creation, His word

that encourages us and lifts our spirits during trials. **“These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation; but be of good cheer; I have overcome the world.” John 16:33**

What great comfort. We in FCFI are going through some of the same trials and challenges you face each day. Nearly all of our events have been cancelled through the end of 2020, but we have confidence in Him that his word will go forth. So, let's join together and give Him the thanks He so richly deserves.

***Thankful that youth groups can still go on mission trips, helping others and spend time studying God's Word. Strasburg Mennonite Church, PA on their annual summer mission trip***

## Being Thankful

I am so thankful to have God's word and His Holy Spirit as my guide and comforter. To say the least we are going through troubling and challenging times would put it too simply. In the last few months, we have been completing applications, paying exhibitor fees, and sending in insurance certificates to many events only to have them cancelled at the last minute. This is frustrating at best.

We continue to hold out with the thought that sometime soon our country will start to open with the possibility to gather in larger crowds. Last week I received notification that The Sunbelt Ag Expo, in Moultrie, GA, had been cancelled as well. It was the last remaining major farm show to hold out with the hope of welcoming thousands of visitors. However, God has opened doors and we have been able to exhibit at the Regional Farmers Market in Syracuse on a weekly basis. We have also been sharing Christ's love at the East Avon Flea Market once a month. Not as busy as we had planned but still sharing to a very needy world. As MHV Chapter member, Ric Rosaro, stated "Sometimes the smaller the crowd but better the conversations." We agree. We do have some events on our calendar and continue to look at all options through the fall. We have a couple of mission trips being planned, the annual outreach meetings in NY and I am pleased to announce that the 28<sup>th</sup> Annual FCFI Conference will be held in central NY next July. Details will follow in the January issue. Thanks for praying and supporting.

Remember to give Him thanks in all things,

~ Bill Brown

## THE LIFE OF A WALKING STICK

Someone planted a sapling, God made it grow.

Someone cut down the tree,  
someone took it to the saw mill.

Someone made a dowel,  
then someone sanded the top.

Someone drilled a hole in it.

Someone put colored beads on a leather strap .

Someone put the leather strap with the beads in the hole on  
the walking stick.

Someone took the walking stick to a farm show.

Someone told the story of the colored beads, which is the  
plan of Salvation.

Someone disciplined the new Christian.

Someone is on their way to Heaven!!

Each of these steps must be taken by someone.

Where will you step in?

Each step is very important.

The end result cannot be achieved if each step is not taken.

Where can you step in?

Jesus said; ***"Go into all the world and preach (teach) the Gospel (good news) to every creature (person)". Mark 16:16.***

There are many ways to teach the Good News,  
but the Message is the same.

***May God bless each one as they step in.***

## The Harvest

There is a song written by Billy James Foote, 2003 called “Amazing Love” (You are my King).

The words touch my heart . “I’m forgiven because you were forsaken. I’m accepted you were condemned. I’m alive and well your spirit is within me. Because you died and rose again.

Amazing Love how can it be that you my King would die for me. Amazing Love I know it’s true. It’s my joy to honor you, in all I do, I honor you. You are my King. Jesus you are

my King.

Yes, Jesus is my King and Savior. It is my joy to honor Him each time I go out to work with FCFI. During the many times I have gone out to hand out the walking sticks, I have shared with the people that have come to listen to my presentation, that they are in the middle of a miracle. I share with them that if someone had said to me when I was 19 years old, that in 50years I would be in Upstate New York sharing the Gospel with these individuals, at this exact location, at this exact time before I became a Christian. I would not have agreed at all. Yes, it is a miracle to me, and I am honored that God has chosen me to represent him in this present day, at this time and place.

Sixty-nine years ago, I was born in New Your City into a sick and dying family from drug use. Both parents were addicts at the time of the births of six siblings. But God intervened and removed us all from certain death. We would not have survived without divine intervention.

All six of us are believers. Two brothers have gone home to be with Jesus. The rest of my family is alive and well. My one brother and two sisters love the Lord with all their hearts because we know we are living, walking miracles.

**Gods’ Word is true even when we do not know Him.**  
*Psalm 10:14 says “...You are the helper of the fatherless”*  
*Psalm 68:5 says “A father to the fatherless”*  
*Hosea 14:3 “... in You the fatherless find compassion”*

I thank Bill Brown for coming to the Cassville Community Baptist Church to share the mission of FCFI many years ago. In addition, I praise God for sending Roy and Kathy Upson into the life of my wife Norayne and my life, when we were neighbors in a small trailer park in Mohawk, NY. in 1977. I am forgiven, I am accepted, I am Loved by Him. That is amazing Love.

Yes, Jesus, you are my King.

“Amazing Love how can it be that you my King would die for me. Amazing Love I know it’s true. It’s my joy to honor you, in all I do, I honor you. You are my King.”

## Gratefully Serving

*Oh, magnify the LORD with me, and let us exalt his name together!*  
*Psalm 34:3*

Wow, what an interesting time we are in. Large shows and events cancelled; gatherings inundated with health concerns. Faces covered, businesses closed, appointments rescheduled, even houses of worship vacant. Storms of fear.

But the joy of the Lord is our strength. Now is the time to rise and seek ways to help those who are lost. Those who trusted in people to guide them, whose hope was in the world’s system. Now we need to stand and speak life into this darkness.

Well, God has opened new opportunities to share the Gospel. Like farmers markets and some craft fairs, a few small-town events. Small canopies and willing workers are sent out into ripe fields spreading the gospel message. Jesus also ministered in large gatherings and at times in small towns seizing every opportunity.

So, out we go sometimes two by two refusing to sit still. Yes, faces covered, wipes in hand with a soul ready to serve CHRIST! Not losing sight of our own physical health concerns and the purpose we are here for! Pray for these workers: Lord, give divine protection, travelling mercies and grow your kingdom with the power of your Word. Always for Your glory!

Is it time for you to go? Need help to start sharing your faith? Ask and you will receive! Seek and you will find! Jesus is waiting for workers willing to commit time for sowing.

## I Will Bless the Lord at All Times

Dangerous times, perilous times, and gross darkness are just a few of the words that the Bible describes the last days that we are living in. Those words are not very comforting, but the good news is, God has given us instruction on how we can keep our joy and peace and fellowship with Him strong in these turbulent times. One of these ways is to do what Psalms 34:1 says, “I will bless the Lord at all times: his praise shall continually be in my mouth.” When we continually praise God in the hard times and the good times, it makes life more enjoyable. It builds up our spirit when we praise God and He inhabits our praises which will make God’s presence stronger in our life. The Bible says that there is fullness of joy in His presence and that the joy of the Lord is our strength. Therefore, to have His strength we need His joy and to have His joy we need His presence which will come to us when we praise Him. Our flesh doesn’t always feel like praising him and that is why Hebrews 13:15 says, “By Him therefore let us offer the sacrifice of praise to God continually, that is, the fruit of our lips giving thanks to his name.” As we praise God with our lips even when we do not feel like it, God will manifest Himself to us and then we will have the joy and the strength of the Lord to endure in these last days.

## Testimonies from the Field...

*We'd like to share a few testimonies that came to us in the past couple of months. FCF receives many of them and they encourage us as we work at events sharing our faith.*

*Steve Brown all set up at the Farmers Market.*

One day at the farmer's market I made eye contact with a rather interesting fellow. Bruno, name changed, was an obvious body builder, around 6'5" with a muscle shirt to match. I motioned him over for a free stick, if he would listen to the bead story. I took hold of the Gold bead and said it indicates Heaven! He immediately started to cry, sniffing and choked up. He was deeply affected. He responded that he knew someone was going to speak to him today about God. Jesus was preparing his heart. See what Jesus will do with just one well-placed word. There are lots of Bruno's ready and waiting for that word from you. **Steve Brown**

On our way to Minnesota we stopped at Cracker Barrel because they have parking for RV's for free and it enabled us to have access to hot food within walking distance. The restaurant that we stopped at was open for inside dining with social distancing. I had the opportunity to joke with the hostess and we talked about why we were travelling. She was interested in what we do, so not to miss an opportunity to witness to someone I went out and brought in a couple of sticks. I asked her to give the manager one and of course explained the beads to her and she answered the question that she indeed had received Christ as her savior. After we finished dinner, I felt lead to get more sticks to give to all the employees. They were accepted and placed on the main counter so everyone could see them and told the meaning of the beads. As we were paying our bill a couple walked up and I heard the clerk explain the beads and receive their own stick. When it was my turn to pay the clerk said the bill had been paid by the manager. It turned out that the hostess was the manager. God not only supplied an opportunity to witness but also provided food for the body. **Pete Singer**

I praise God for the opening of the Regional Farmers Market in Syracuse, NY. I was looking for someone to share the message with when I saw this lady walking by and her gate was off, she appeared to be walking in pain. Immediately I received a check in my spirit to pray for her if she stopped. You guessed it, she stopped. I asked if I could pray for her since she indicated she had three ailments. A while later I saw her walk by, and she seemed to be walking better. She said, "I don't what's going on, it's amazing." PTL **Chris Brown**

## God Is With Us

To be thankful is to be appreciative of that which is given. We have many reasons to be thankful for God in our lives. Of all the things God has given us, and He has blessed us with all spiritual blessings, one that I am thankful for is the fact that he is with me wherever I go. In our travels throughout the US, whether at farm shows, FFA Conventions or doing disaster relief, I can rest in the promise that I am never alone even when I may be the only one in the vehicle or out building fences. I learned a long time ago to say

we are going to do this or that.

Jeremiah 23:23-24 "Am I a God at hand, saith the Lord, and not a God afar off? Can any hide himself in secret places that I shall not see him? saith the Lord. Do not I fill heaven and earth? saith the Lord."

There is boldness when we go out to serve knowing that God is with us. The Holy Spirit dwells within us. How could He be any closer? He is a God at hand. He is near to the broken hearted. His hand is not shortened that it cannot save.

In Psalm 23 the Bible say the Lord is my Shepherd. A shepherd; doesn't care for his sheep from afar off. Customarily a shepherd moved with his sheep, and slept with them in the field, cared for them, and guides and protected them. I give thanks to the one who shepherds me. The same one who has promised to never leave us or forsake us.

Isaiah 41:10 "Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness."

We can be bold in our actions and do things we never thought possible, without fear, knowing God is with us especially if what we do is for His glory.

Matthew 28:19-20 says "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world.

Amen.

Thankful,

We have a nice church to stay in at Glade, Mississippi. They are allowing us to use their kitchen to prepare meals. We have a shower trailer available to clean up at the end of the day.

Those things needed for your stay: sleeping bag, pillow, towels and toiletries, air mattress if needed, work clothes and enough money to purchase what you might eat in a week's time. Some meals are provided by the church and the people we help as a show of appreciation.

I (Mike) have an assortment of tools to perform many tasks at hand. Our primary work is cutting branches and trees, and fence repair, while looking for opportunities to share the gospel. Hope to see you on the mission field.
